ABOUT ME

I am a quick learner with strong communication skills and proficiency in three languages: **English, Urdu, and Punjabi**. I hold a **Bachelor's degree in Computer Science (BSCS)** from **Arid Agriculture University, Islamabad**. During my academic journey, I successfully led my **Final Year Project (FYP)** as a **Group Leader**, specializing in **Android Development**, where I gained hands-on experience in mobile app design, development, and team coordination. With a strong foundation in IT and leadership, I am eager to apply my skills in professional environments and contribute to innovative projects.
